Great Pulteney Street, Bath. Modern Bath was "made" by a Beau and a Builder: it had no social importance when Nash arrived in 1703, no attractive buildings when Wood (in 1728) erected Queen Square out of a bit of common ground. Wood's son carried on the work, building Great Pulteney Street and Royal Crescent, the finest example of Classical architecture in Bath.

Thanks for letter
Will write soon.
Glad you are well
Good journey. Have
very damp here.
Hoping for fine day
as ever. Frances
